Subject: **1997 F.D.A. Regulations**

Many of you have indicated that Health Depts., etc., are mailing out information to retailers regarding the proposed 1997 F.D.A. regulations. Many of these mailings indicate or imply that retailers should be following these regulations as they were originally written.

To assist you with these issues, attached you will find a copy of a news release that you may utilize as needed.

Please feel free to provide this information to any personnel you feel appropriate.

Thanks,

Don
